

P-H-M Education Foundation

Annual Report 2021-22

ABOUT PHMEF

MISSION: To support excellence in education in all 15 P-H-M schools

History of P-H-M Education Foundation

In 1996 PHMEF was established as an independent, nonprofit 501(c)(3) organization dedicated to supporting the educational mission of our schools. The Foundation develops alternative sources of income to support learning while strengthening the partnership between schools and community. Dedicated business leaders, administrators, and community volunteers, representing a cross-section of the school community, serve as the board of directors.

PHMEF supports education through awarding innovative teaching grants, scholarships to students, staff development and other corporation-wide initiatives.

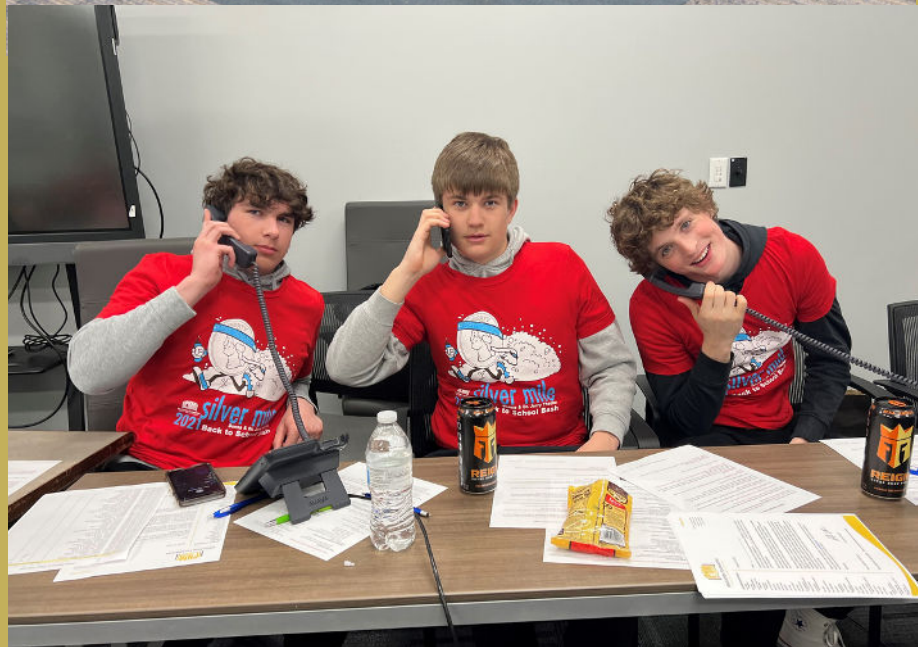

PHMEF's funding comes from special events such as its premier Silver Mile Health & Fitness Fair, 25th Anniversary Gala,, Superintendent's Luncheon, Annual Drive, Phone-A-Thon, Naming Rights Campaign, Job Fair, College and Career Fair Thank a Teacher, and individual donations.

VISION: Become a premier education foundation

OTHER WAYS TO SUPPORT PHMEF

A

Buy-A-Brick

Honor a student, teacher, graduate, family member with a engraved brick placed at the entrance of Door D at Penn High School. This program paves the way for P-H-M educational grants. To download a form, visit phmef.org.

Indiana Educational License Plates

Purchasing a "Hoosier Family of Readers" license plate puts money back into P-H-M. Nearly \$19 of the specialty plate's administration fee is sent to PHMEF. In turn, the foundation uses those funds for teacher grants and innovative programs. For more information, visit www.in.gov/bmv.

25th Anniversary Gala

The 25th Anniversary Gala was held at the Palais Royale. It was a beautiful evening with Broadway themed entertainment, a lovely dinner, silent auction as well as a live auction and opportunity to support a new robotics program for PHM third graders and recognition of Julie Schwartz our cornerstone recipient and an after party performance by Blammo. The event raised over \$100,000 to support grants and programs in all 15 PHM schools

SILVER MILE

More than 1,500 community members participated in the annual Silver Mile Run for Education & Health and Fitness Fair on May 3 at Penn High School

Silent Auction

The silent auction had more than 100 items including a full orthodontia set courtesy of Dr. Shawn Long, Beacon Health and Lifestyle 1-year membership, several golf certificates, Dr. Jeff Mader's Zoom teeth whitening -- just to name a few. After a fun day, many left with great bargains purchased at the Silent Auction.

Sodexo Fun Zone

Thank you to Sodexo for sponsoring the Fun Zone full of inflatables and activiteis for our elementary school students. A great time was had by all!

Health and Fitness Fair

Thank you to presenting sponsor Saint Joseph Health System for its free health screenings including body mass index and blood sugar. Area vendors also showcased health and fitness related activities.

Bubble Bash

The Silver Mile Run for Education was transformed into the first Bubble Bash, with more than 500 people participating in the fun walk/run. Walkers and runners went through foam bogs throughout the course that added anotheThank you to Bubble Bash sponsor Drive & Shine for its support.

PHMEF PROGRAMS

Robotics (FTC and NIC FLL Tournament) – FTC - \$5,000 – essentials for five robots; North Central Indiana FIRST Lego League Tournament - \$3,530. Comprehensive program that funds Lego robots in the elementary and middle schools. In addition, the North Central Indiana FIRST Lego League Tournament was created two years ago to help elevate the need for area teams, including P-H-M teams, to travel for competition. FIRST Lego League was developed to create a feeder system into the high school.

VEX - \$800 – Comprehensive program that provides STEM related activities through robotics. This year, CFE supported Schmucker Middle School's program.

Running is Elementary – \$9,700 Now in its 14th year, RIE engages all fourth- and fifth-graders in P-H-M in a 6-week running club that culminates in an event at Elm Road Elementary. Because of the CFE sponsorship, RIE continues to be a free event for students. Kids learn about health and fitness, with the end goal of them becoming lifelong runners. Approximately 700 students participated.

Young Author's Conference – \$2,000 Each year, a children's author is featured at the half-day event at Schmucker Middle Schools. Students in kindergarten through fifth grade rotate stations that include a reading from the featured author; writing mini-camps; and song and dance time. Parents have the opportunity to learn how to encourage and strength children's writing skill.

NAMING RIGHTS

*Pursuing excellence
through naming rights
campaign*

CHRIS GEESMAN
KINGSMEN
ATHLETIC CENTER

The P-H-M Education Foundation, in conjunction with P-H-M School Corporation, launched a naming campaign in 2014 to support our existing endowment at the Community Foundation of St. Joseph County.

In our pursuit of excellence, the Foundation's endowment will provide permanent additional funding of programs for outstanding students and teachers.

Naming rights is a 12-year partnership, payable over 5 years, that highlights a commitment to excellence in P-H-M. Signage will include name and/or company logo that will be associated with a specific property or program within the Corporation.

We invite you to be a part of a large and diverse group of individuals, professionals, and companies who support excellence in education. You may specify who your donation is in honor of, make a donation on behalf of another person, or even gather a group of people to pool donations together. (ex. The Class of '78). Businesses that support naming rights show their commitment to P-H-M students and the community.

To view additional information, donate online, and view testimonials, visit www.phmef.org

In The spring of 2022 Dr and Mrs Thacker generously donated \$25,000 to rename the athletic center in honor of legendary Penn Football coach Chris Geesman
